# Welcome to the Congress

We have the pleasure of inviting you to the UEP-SOMEF congress which will take place in Bilbao (Spain) on September 29th, 30th and October the 1st 2016.

## **Bilbao Guggenheim Museum and much more...**

Bilbao is a cosmopolitan, friendly and warm city, surrounded by a beautiful mountainous landscape, turned into an architecture hub of international reference thanks to Ghery, Foster and others' works. We cannot forget its cute old town which looks upon the river and has been its historical bridge to the outside world.

## **Bizkaia Aretoa, the Congress venue**

Designed by the Portuguese architect Álvaro Siza, the Bizkaia Aretoa is an admirable space, respectful with its environment, placed right in the centre of Bilbao, boasting of the latest technologies for the best use of scientific congresses.

## **Phoniatrics and Communication**

The scientific programme will cover all aspects of our speciality and will count on the best experts, both national and international. We are open to the collaboration from all of you who wish to share advances and news of your clinical or research work.

## **Enjoy it!**

Last but not least we are elaborating a fun social programme to relax after a hard work.

Shared knowledge, relaxed networking and passionate debates, opportunities to connect with colleagues, a beautiful environment supported by a complete social program... We are sure that, with all these elements, your stay in Bilbao will be unforgettable.

Susana Ruiz & Ana Martínez

# We look forward to hearing from you
